SUBJECTS AND NAMES

A

ACCESS USA
- Business Cards in Braille—September, 314-315

ACCESSIBILITY
- See also: AMERICAN WITH DISABILITIES (ADA)
- Access Network in Italy—April, 180
- Access to Telecommunications: The Views of Blind and Visually Impaired Adults—October, 328-331
- Accessible Classic Films—November, 387
- Award for Verbally Descriptive Television—October, 353
- Braille Century Series From APH—January, 41
- A Computerized System for Workplace Design for Visually Impaired Workers—May, 232-233
- Cultural Access Book—October, 355-356
- Design Adaptations for Nursing Homes—December, 418
- Dreams of Equality and Accessibility—November, 386
- Equal Access to Safety: An Earthquake Study—December, 415
- First Braille Sports Card—March, 136
- Germany: Materials Access for Students—December, 417
- Grants for Personnel Preparation—October, 353
- Guide to Accessible Facilities—November, 387
- Making Information Accessible to Blind and Visually Impaired Mainstreamed Students— May, 228-229
- Metropolitan Museum's Programs and Services for Blind People—January, 40
- NYNEX Offers Telephone Bills in Braille—February, 91
- A Prototype for Workplace Accommodation—October, 353
- Service for Deaf Investors—October, 355
- Tactual Strip Maps as Navigational Aids—September, 296-301
- TeleSensory Announces OsCaR Reading System for Blind Persons—January, 34
- Use of Tactile Pictures to Communicate the Work of Visual Artists to Blind People—April, 174-176
- Video on Adapting Homes—November, 386
- Voting Accessibility—September, 312
- Walt Disney World Wins Award—April, 182
- Workplace Accommodation Survey—December, 418

ADA: See AMERICANS WITH DISABILITIES ACT (ADA)

ADAPTIVE DEVICES
- See also: COMPUTERS; OPTICAL DEVICES; TECHNOLOGY
- Assistive Technology Conference—November, 385
- Assistive Technology Design in Special Education Publication—January, 34
- Assistive Technology Report Available—February, 89
- Consumer Technology Wish Lists—September, 301
- Differential Reinforcement to Reduce Disruptive Behaviors in a Blind Boy with a Learning Disability—April, 176-178
- Dole Foundation Announces 1990 Grants—April, 182
- Easter Seals Announces Loan Program for Purchasing Technology—March, 138
- EIF Report on Assistive Financing for Assistive Devices—January, 41-42
- Equipment for Blind Persons Guide Available from RNIB—January, 34
- Finland: Assistive Technology Research—December, 417
- Making Technology Work—May, 231
- One-Handed Keyboard Is An Option for "Braille'n Speak"—May, 234
- A Prototype for Workplace Accommodation—October, 353
- Special Equipment for Students—June, 270
- Taiwan: Assistive Technology Research Center—October, 350
- Talking Thermometer—December, 416
- Workplace Accommodation Survey—December, 418
- Workplace Adaptation—December, 418

ADJUSTMENT TO BLINDNESS
- See also: COUNSELING; PSYCHOLOGY; REHABILITATION
- Adapting to Visual Impairment—December, 417
- Are Social Skills Teachable? A Review of the Literature—February, 58-61
- Communication Cues Used by People with and without Visual Impairments in Daily Conversations and Dating—November, 371-378
- *Day Brought Back My Night—Aging and New Vision Loss*, by Stephen Charles Ainlay, reviewed by Barbara Shalit—September, 285-286
- Defiers of Negative Prediction: A 14-Year Follow-up Study of Legally Blind Children— November, 363-370
- The Effects of Visual Impairment on Adolescents' Self-Concept—March, 129-131
- Fears of Visually Impaired Children—March, 118-125
- Investigating Alcohol Abuse Among Persons Who Are Blind—October, 343-345
- Macular Degeneration: An Overview—June, 249-252
- A New Guidebook to Help Older People Who Are Visually Impaired—May, 235
- Psychological Factors in Acquired Visual Impairment: The Development of a Scale of Adjustment—September, 306-310
- Scholarly Articles on Disability Published—May, 235
- *Snakewalk*, by Charles Wheeler, reviewed by Mary Jane Owen—September, 283-285
- Teaching Mobility to a Bilaterally Hand-Amputated Blind Person—April, 162-165
- The Use of Drama to Help Visually Impaired Adolescents Acquire Social Skills—October, 340-341
- Using Short-Term Group Counseling with Visually Impaired Adolescents—April, 166-170

ADOLESCENTS
- The Effects of Visual Impairment on Adolescents' Self-Concept—March, 129-131
- Fears of Visually Impaired Children—March, 118-125
- The Relationship Between Aerobic Capacity and Physical Activity in Blind and Sighted Adolescents—November, 382-384
- Series Teaches Skills and Independence—November, 385-386
- The Use of Drama to Help Visually Impaired Adolescents Acquire Social Skills—October, 340-341
- Using Short-Term Group Counseling with Visually Impaired Adolescents—April, 166-170

ADVOCACY
